Guilford County school (public or private) I will attend in the fall:

School outside Guilford County you will attend: _____

Do you have dependable transportation to and from the Science Center?: _____

Describe if transportation is an issue for you: _____

___ I am comfortable around animals-including snakes and lizards-and feel that I could learn how to appropriately handle them. If I am afraid of them now I am curious and open to learning more about them.

___ I can do field work – walk in rough terrain and get wet (you do not need to know how to swim!). Much of the program takes place outside.

I identify as:

___ Caucasian (white)

___ Hispanic or Latino

___ African American

___ Native American

___ Asian

___ Other: _____

Please list medical conditions (physical and behavioral) for our files, including environmental and food allergies:

Emergency contact name/phone number: _____

Tell Us More:

Please answer these questions in 200 words or less. Think of them as mini-essays. Your application will be considered incomplete if you do not provide thoughtful responses to these questions. Your responses should be in complete sentences. Your answers help us get a sense of who you are and why you want to be a part of our program.

Question 1

What do you hope to experience this summer if selected for The HERP Project?

Question 2

What do you think is the biggest issue facing reptiles and amphibians in North Carolina?

Question 3

Describe one thing you'd like to learn more about during the week.

The program fee is \$100. Scholarships are available on a need basis – we do not want to disqualify applicants for financial reasons. If you would like scholarship information check here: ____

Will you need a payment schedule? Yes No

Thank you for your interest in The HERP Project – we are looking forward to a great week!
